West Palm Beach, FL 33415

Congratulations on Joining the Ranks of a General Class License Amateur Radio Operator!

By now You have probably realized that while You have been given the authority to get on the air, You are also somewhat limited. As an Extra Class licensee, you will have full privileges on all frequencies authorized by the FCC for Amateur Radio.

You are now in the unique position to advance to the Amateur Extra Class Certification, expanding your window of opportunities by **Reaching Out** to the World in More Modes of Operation on More Bands...

To assist **YOU** we have developed *special weekend classes* centric to Mastering the Class knowledge-base and Passing the Exam.

This **Extra Class** is a structured, focused review on the all aspects of the Testing Requirements by incorporating an Information Compressed Curriculum and Structured Methods based on Years of Ham Radio Experience.

History indicates that **YOU** *must* invest quality time **Prior to the Class** by Studying the Extra Class License Manual and separate Test Q&A Manual; Available from the ARRL: [License](#).

See the Extra Class Schedule above. The Exam will be held at the end of the Last Day.

To get started, order a copy of the license manual and register for the Class via eMail at aug77@att.net or call **561-714-6673**.

Upon confirmation, you shall be added to the distribution list providing You with reminders, progress encouragement alerts, and focused special interest information on practice tests and practical tools capable of supporting your progress, ultimately resulting in enhanced success.

ARRL Instructor
Albert Moreschi AG4BV
